TERMS AND CONDITIONS

1. Rental and payment. Renter agrees to pay the charges shown above for the rental period, plus any additional charges that arise under this agreement. Card payments are processed by Square and include a 5% card convenience fee. Cash payments are due in full at pickup.

2. Insurance is the renter's responsibility. Renter is responsible for insuring the Vehicle for the entire rental period — from the moment Renter takes possession until the Vehicle is returned and checked in. Renter must carry a valid automobile insurance policy that covers Renter's operation of this Vehicle, including liability and physical damage (collision and comprehensive), and must show proof of that coverage at pickup or on request. Any protection plan purchased from Guru Car Rentals is a damage waiver, not insurance, and does not replace this obligation. Guru Car Rentals does not provide liability insurance to the Renter.

3. Loss, damage and liability. Renter is responsible for all damage to, loss of, or theft of the Vehicle, and for any injury, damage or claim arising from its use during the rental period, regardless of fault, to the extent not paid by Renter's insurance or reduced by a purchased protection plan. This includes repairs, towing, storage, impound fees, loss of use and diminished value.

4. Permitted drivers and use. Only the Renter and additional drivers named in writing by Guru Car Rentals may drive. Every driver must be at least 21 with a valid license. The Vehicle may not be used for racing, off-road driving, towing beyond the manufacturer's rating, rideshare or delivery for hire, subletting, carrying hazardous materials, or by anyone impaired by alcohol or drugs. No smoking or vaping in the Vehicle.

5. Fuel, charging and mileage. Renter pays for all fuel and electric charging during the rental and must return the Vehicle at the same fuel or charge level as at pickup; any shortfall is billed at cost plus a \$25 service fee. The rental includes 200 miles per day, pooled across the rental; additional miles are \$0.35 each.

6. Tolls, tickets and violations. Renter is responsible for all tolls, parking tickets, traffic and camera citations, and related fees incurred during the rental, plus a \$25 administrative fee for each one Guru Car Rentals has to process.

7. Condition and security deposit. The Vehicle is provided clean and in good working order, and its condition is photographed at pickup and return. A refundable \$250 security deposit is collected at pickup and returned after inspection, less any amounts owed under this agreement.

8. Return, late fees and cancellation. Renter must return the Vehicle at the agreed date, time and place. After a one-hour grace period, late returns are charged at one quarter of the daily rate per hour, up to a full day for each 24 hours late. A Vehicle not returned within 24 hours of the due time without contact may be reported stolen and recovered at Renter's expense. Cancellations more than 48 hours before pickup are refunded in full; within 48 hours one day's rate is retained; no-shows are charged the first day.

9. Records and governing law. Renter consents to Guru Car Rentals keeping a copy of Renter's driver's license and insurance documents with this agreement. This agreement is governed by Michigan law, and disputes will be resolved in Wayne County, Michigan. If any part of it is unenforceable, the rest remains in effect.

SIGNATURES
